Dear Friends,

Welcome to Wesleyan Kids for Missions where kids are our number one priority.

Our Purpose: To win kids to Christ by pursuing a relationship with Jesus Christ through His Word that will guide them as Christians through a lifelong journey of service at home with a vital interest in missions abroad.

Our Goal: Kids will learn to trust Jesus as their Savior, to share Jesus' love with others, to care for people of different cultures, to hide God's Word in their hearts, to tell others about Jesus, to pray and correspond with missionaries and their kids, and to become missionaries where they are.

Our Motto: *Not by might nor by power, but by my Spirit, says the Lord Almighty (Zechariah 4:6).*

Every child, teen, and adult should be taught about missions. The Wesleyan Kids for Missions *Leader's Manual* emphasizes Wesleyan missionaries, countries where Wesleyans serve, projects for Wesleyans, and stories about Wesleyans. The Wesleyan Kids for Missions program can be used in many settings with any age group—children, teens, and adults—in the opening exercises prior to Sunday school, during Sunday school classes, as part of your Sunday night worship service, Children's Church, VBS, or your Wednesday night service.

The theme for 2011-2012 is **STAND FIRM** with the Power Verses coming from Ephesians 6:10-18. The kids will learn to put on the armor of God and to **STAND FIRM** as soldiers in the Lord's army and fight the evil that exists throughout the world. They will learn about countries where our Wesleyan missionaries share Christ, locate these countries on a world map, and each month will learn about a Wesleyan chaplain at work around the world.

The Wesleyan Kids for Missions Package includes:

Leader's Manual (devotions, stories, projects, activities, prayer, power verse activity sheets, games,...)

Nathaniel's Journey-The King's Armory (The Making of a Mighty Warrior)

The Story of WKFM

Start a Wesleyan Kids for Missions in your church without delay. Only God knows how what you do today will turn out tomorrow. God is calling kids to do His work. He knows where they will go and what they will do. Will you lead them as they make choices? They are called to do the work of the Lord. Soldiers in the Lord's army are called to put on the armor of God, to wear it everywhere, and to obey His orders.

STANDing FIRM for Him,
Peggy Ann Camp
