## EXPANDED EDITION

Winter Training Event 2010

This year's 'Huddle' has something for EVERYONE on your TEAM. God's word encourages us to work together as one body, one team. And that is what we want to do during this year's Huddle - encourage, train, and refuel your WHOLE TEAM!

God created the team - the team of the family, the team of the church. He never intended for us to walk through this life alone. And He doesn't desire for you to attempt ministry alone. God encourages us to meet together, to help each other, to sharpen our tools TOGETHER. When we come TOGETHER as a church, as a district, with the intention of building up each other and the body of Christ, God is honored.

In the past, the 'Huddle' has been mostly for Children's Pastors and Children's Workers. However, this "Huddle - EXPANDED Edition" will not only challenge, supply, and excite Children's Pastors and volunteers, it will also provide excitement and challenge for our YOUTH Pastors and volunteers, SENIOR Pastors, and also anyone working with the adults in our churches! Jeremy Summers, Coordinator of Adult Ministries in the Spiritual Formation Department at Wesleyan World Headquarters, will be joining us this year. He will be speaking in the opening rally as well as leading all those working with Adult Ministries in our churches. There will be multiple breakout sessions for our paid and volunteer Youth Ministry workers. And there will still be the AWESOME tracks for Children's Ministry workers. There is truly something for EVERYONE on your team at the 'Huddle'.

We want to encourage ministry teams to work together as just that - TEAMS! We want to challenge you, encourage you, provide enrichment for your ministry area, and add some excitement to your TEAM effort.

God has called us to be ONE BODY for ONE PURPOSE. So come HUDDLE up with the WHOLE TEAM and let's press on toward that goal TOGETHER!
